

Dear Director,

I have known Stephanie as a member of my orchestra at Orlando High School over the last 4 years. During this time, I have come to appreciate her many fine qualities as I have watched her grow as a musician and a person. Stephanie had a very strong junior and senior year as she was named our counties "Musician of The Year."

Stephanie spends her free time working hard on her skills. She is not only a fine player, but is also an outstanding individual. She excels in the classroom and is looked upon for her leadership. She understands the value of goal setting and the importance of team work. She has shown the ability to bounce back from adversity and is willing to put in extra time to improve on weaknesses. She realizes that success can only be obtained through hard work and approaching each task with a positive attitude.

I am certain that she would be a fine addition to any program that stresses excellence.

Please feel free to contact me if I can be of further assistance.

Sincerely,

Thomas Edwards
